

Monzaemon

Note: This is an advanced project that requires proficiency in making stuffed toys. These instructions are intended as a general guide, not an in-depth walkthrough.

Additional Required Skills:

- Appliqué
- Disc Jointing
- Zipper Installation

Materials:

- 1/3 Yard **Yellow Minky**
- 1/8 Yard **White Minky**
- 6" x 8" **Black Cotton**
- Scrap of **Red Suede** or **Felt**
- 8" of **1/2 Inch-Wide White Bias Tape**
- 2 Sets of **1.5" Disc Joints**
- 1 **1/2" Black Teddy Nose**
- 1 **4" Zipper**
- **Black Cord** or **Embroidery Floss**
- **Plastic Beans**
- **Stuffing**

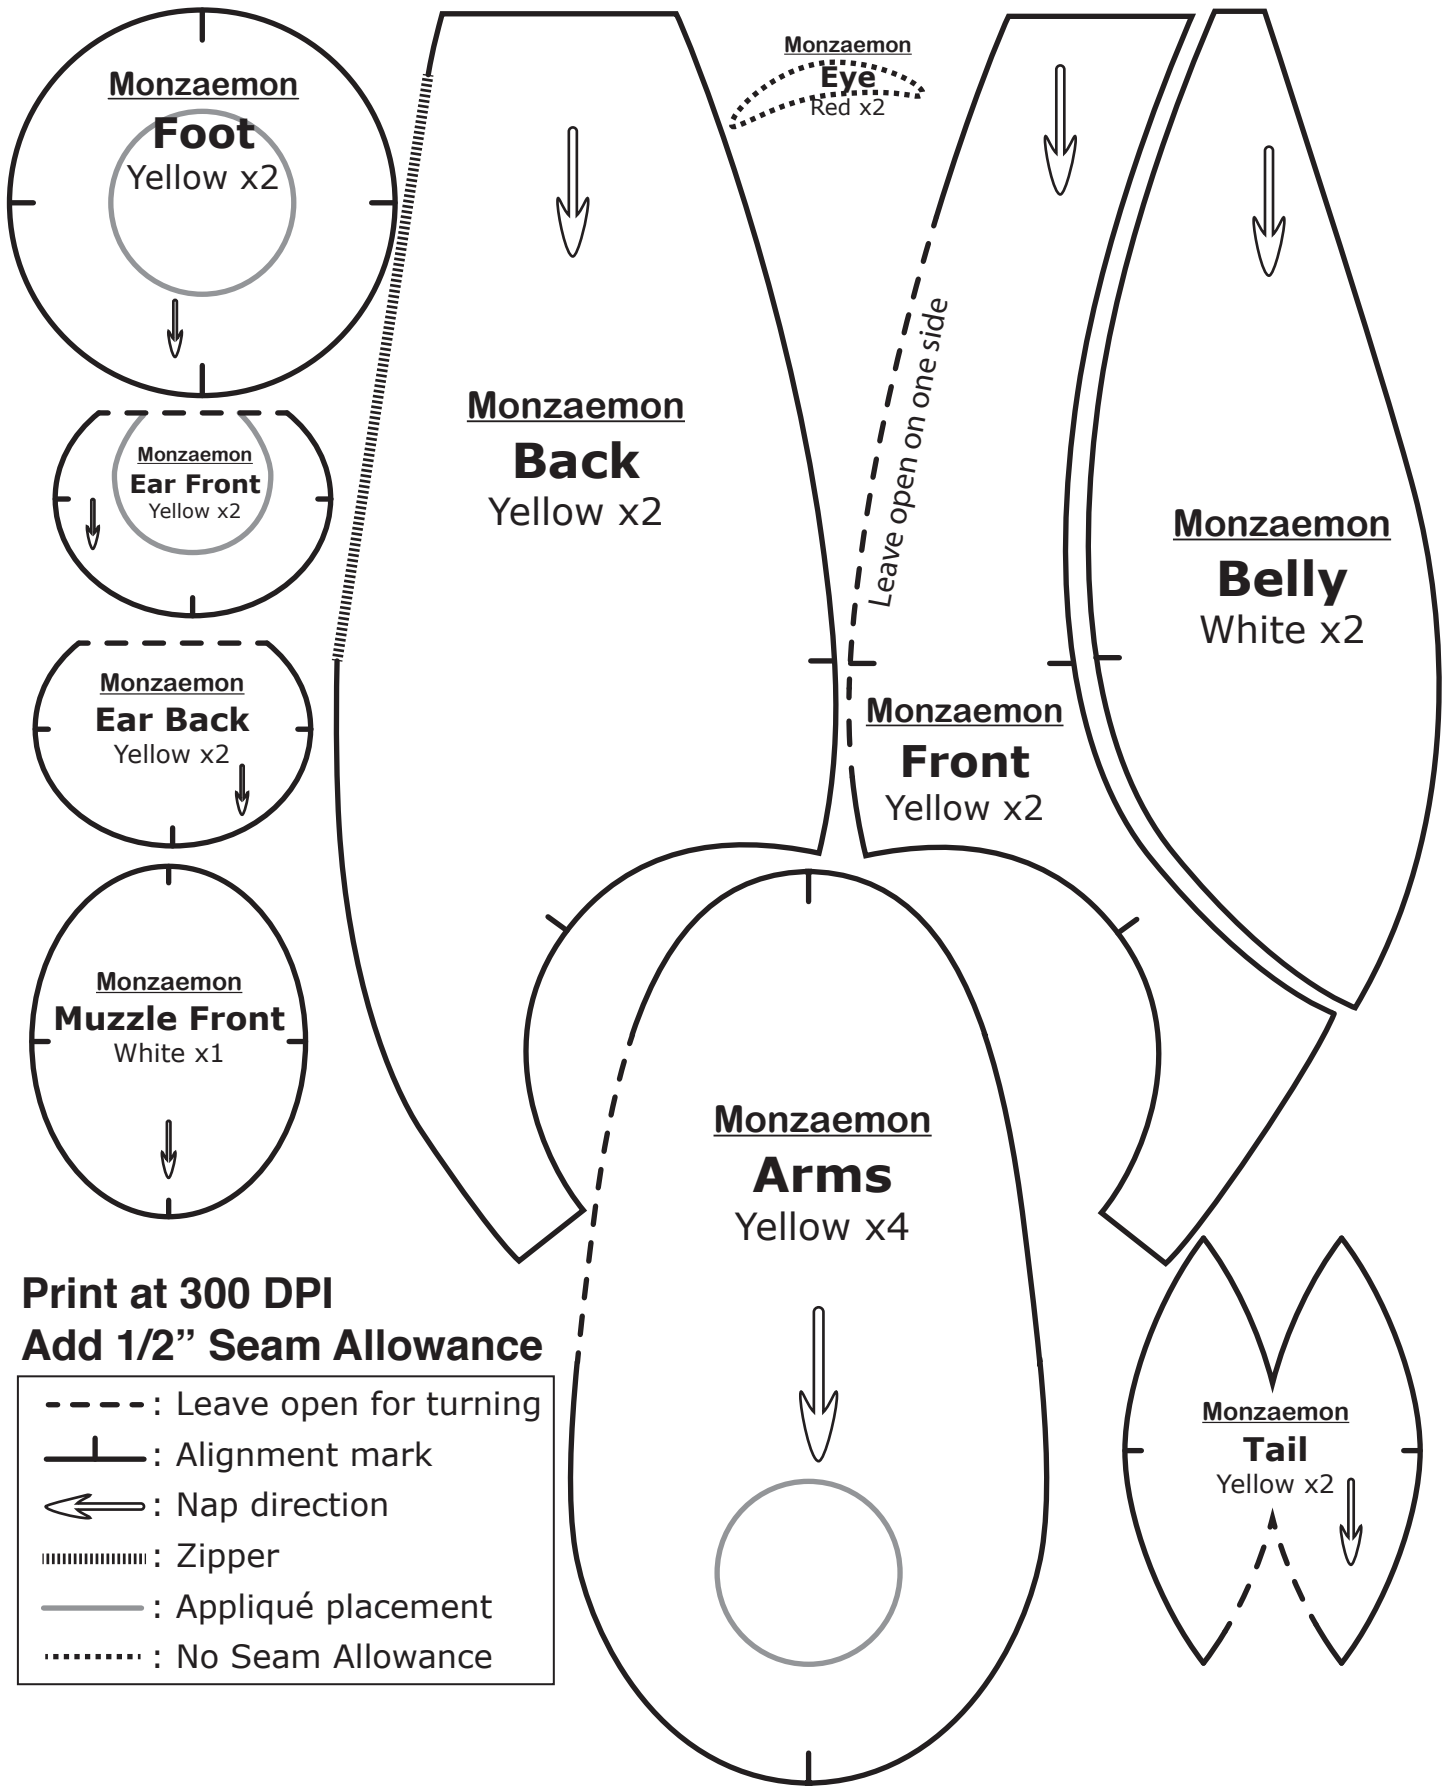

Instructions:

1. Sew the **ear**, **eye**, and **pawpad** appliqués.
2. Sew the **leg** halves together, then sew on the **feet**.

3. Attach the zipper to the **pocket** and **back** pieces. **Be sure to leave enough space between the zipper teeth and fabric to ensure it won't get caught in the zipper.**
4. Sew the **belly** to the **front**.
5. Attach the **legs** to the **front** and **back** pieces.
6. Sew the two **belly** and **front** pieces together.
7. Sew the **front** and **back** together, leaving an opening on one side for turning.
8. Sew the **muzzle sides** to the **head front**, then to the **muzzle front**.
9. Sew the two **head front** pieces and two **muzzle sides** together.
10. Assemble the **ears**, then turn, stuff, and baste to the **head front**. **Make sure the ears are facing the correct direction.**
11. Sew the **head back** to the **back**, and the **head front** to the **front/belly**. **If using a safety nose, you will need to leave an opening in the back of the head.**
12. Sew the **head front** and **head back** together.
13. Turn everything right side out and stuff. Fill the **legs** with plastic beans.
14. Assemble, turn, and stuff the **arms**.
15. Attach the **arms** to the body with joint discs. Sew the **arms** shut.
16. Sew the body opening shut.
17. Assemble the **tail**. Turn, stuff, and ladder stitch in place.
18. Use black cord or embroidery floss to make the mouth, fingers, and toes.
19. Attach the **nose**. **If using a safety nose, sew up the head opening.**
20. Cut bias tape in two pieces and tuck/iron the ends under themselves to make the **bandage**. **Iron-on hem tape can help keep the ends tucked in place.**
21. Ladder stitch the **bandage** pieces to the **belly** in an X shape.
22. Brush out the seams, and you're done!

Print at 300 DPI
Add 1/2" Seam Allowance

- : Leave open for turning
- ┌: Alignment mark
- ←: Nap direction
- |||||: Zipper
- : Appliqué placement
-: No Seam Allowance
