Important Health Warning About Playing Video Games

Photosensitive seizures
A very small percentage of people may experience a seizure when exposed to certain visual images, including flashing lights or patterns that may appear in video games. Even people who have no history of seizures or epilepsy may have an undiagnosed condition that can cause these “photosensitive epileptic seizures” while watching video games.

These seizures may have a variety of symptoms, including lightheadedness, altered vision, eye or face twitching, jerking or shaking of arms or legs, disorientation, confusion, or momentary loss of awareness. Seizures may also cause loss of consciousness or convulsions that can lead to injury from falling down or striking nearby objects.

Immediately stop playing and consult a doctor if you experience any of these symptoms. Parents should watch for or ask their children about the above symptoms—children and teenagers are more likely than adults to experience these seizures. The risk of photosensitive epileptic seizures may be reduced by taking the following precautions: Sit farther from the screen; use a smaller screen; play in a well-lit room; do not play when you are drowsy or fatigued.

If you or any of your relatives have a history of seizures or epilepsy, consult a doctor before playing.

Extras
Access the game credits and cross promotions here.
**Respect**
The amount of Respect you’ve earned is tracked here. One full bar allows you to play one mission or Stronghold.

**Notoriety**
Reflects your wanted level with the police. The higher your notoriety, the more vigilant the police may be of your actions.

**Weapon**
This shows your currently selected weapon and remaining ammo.

**Cash**
The amount of money you currently have.

**Homies**
Your followers will be represented here, along with their health meters.

**Reticule**
Target unsuspecting enemies. The reticule will change to a green X when targeting allies.

**Mini Map**
Enemies are represented by red dots, allies with purple ones. In missions, required kills are marked by a red square, locations to travel to are marked by a blue square, and critical items to pick up or defend are marked by a green square. Points of interest are marked with a unique icon.

**Mission and Activity Info**
This lists the name of the mission or Activity you are currently on, and also tracks progress.

---

**Health Meter**
Every time you get shot, stabbed, run over and generally beaten, your life bar will deplete. Health regenerates over time. If this bar completely empties you have been smoked.

**Sprint Meter**
When you’ve got cops on your trail and no getaway car in sight, sprinting may be your last chance of escape. The Sprint Meter replenishes over time, but try to keep it full when possible; you never know when you’ll need a quick escape on foot.
Diversions

Diversions are cash and Respect rewards that are given to you by playing the game creatively. Experiment with different modes of combat, driving, and interacting with your environment to find all the available diversions.

Activities

Crowd Control

Earn money as a bodyguard by keeping obnoxious fans away from celebrities—by any means necessary.

Earning Respect

Respect

Respect is used to play through Missions and Strongholds. Respect is earned by completing Activities and Diversions, and by killing rival Gang Members.

Style

Buying new clothes and items for your crib gives you Style Points. The more Style Points you have the bigger your Respect multiplier becomes.

NOTE: Wearing specific clothing is not required to get the Respect bonus. Simply owning the items is enough.
Give new meaning to the term ‘burnout’ while wearing a flame suit as you drive around Stilwater on a four wheeler. The more damage you create, the more time you have to cause some heavy-duty trouble.

Insurance Fraud
Play in traffic for fun and profit! Fake an injury and try to score some free cash.

Mayhem
Take to the streets of Stilwater and go on a violent rampage. Just think of it as slash-and-burn agriculture with more explosions.

Septic Avenger
Devalue property value in Stilwater as you spray the contents of a septic truck all over town. Everyone loves a nice shade of brown...

Snatch
This is how life should be. Go around town and murder rival pimps, recruit their hos, and build up a stable of your own.

Taking Control

Demolition Derby
Smash everyone else on the track in a demolition derby. Earn money after each round to better equip your ride.

Drug Trafficking
Ride shotgun and protect a drug dealer as they drive over Stilwater and make deals with their unsavory clientele.

Escort
You are the personal driver for a high-class hooker. Your job is to evade the paparazzi who want to snap photos of the people who are in need of her services.

Fight Club
Step into the ring and join the most violent fights in the city. Brawl your way to the top to earn money and Respect.

Fuzz
Dress like a cop, pick up your cameraman, and become a reality TV star on FUZZ, Stilwater’s #1 TV show. Stop crime as sensationally as possible to score the highest ratings in town.

Heli Assault
Use a decommissioned attack chopper and rain death from above on your rivals.

Trail Blazing
Fists
Sometimes you have to let your fists do the talking. Primary Attack and Alternate Attack allow you to throw punches. You can also hold either button to charge the attack, resulting in a more powerful strike pressing both and at the same time will block enemy attacks. Perform deadly combos by alternating your attacks rapidly.

Weapons
You’ll come across, or purchase, all kinds of guns and melee weapons in Stilwater. To pick up a weapon, simply walk over it. If you’re carrying a weapon of a different type, hold to swap them. Press to bring up the inventory and use the left stick to select a weapon. Pressing fires the gun, and performs a melee attack.

Vehicles
Acquiring a new ride is as easy to stepping up to a car door and pressing . Press to accelerate, to move in reverse, and the button to use the handbrake. Any car can be stolen, though jacking some vehicles will cause the cops or a rival gang to become aggressive.

Items
Sometimes you just need a little bit extra to make it through the day or a mission. There are food and liquor stores scattered around town that offer a variety of eats, drinks, and smokes. Chow down on some food to refill your health quickly.

Navigating Stilwater
Press to bring up a map of Stilwater. Areas the Saints control are highlighted purple In these areas you can find gang members who you can recruit to aid you in combat. To set a GPS waypoint, move the cursor to where you want to travel and press . A green trail will show you the route to get there.
