New Game
Prepare for your return to Stilwater. You start in prison, but no one stays in there forever, right?

Load Game
Load a previously saved game and return to the streets of Stilwater to continue your reign over the city.

Multiplayer
Saints Row™ 2 supports cooperative multiplayer online. Players can drop directly into a Co-op game and drop out when they finish a mission. Any money or items you earn will be carried over into your single player game. If you beat a new mission in Co-op, you’ll be given the option to auto-complete the mission when you reach that point in your own single player game.

In addition, up to twelve players can play against each other in competitive matches online.
**Game Screen**

- **Homies**

- **Reticule**
- **Mini Map**
- **Health Meter**
- **Spirit Meter**
- **Respect**
- **Cash**

**Health Meter**
Every time you get shot, stabbed, run over and generally beaten, your life bar will deplete. Health regenerates over time. If this bar completely empties you have been smoked.

**Sprint Meter**
When you’ve got cops on your trail and no getaway car in sight, sprinting may be your last chance of escape. The Sprint Meter replenishes over time, but try to keep it full when possible; you never know when you’ll need a quick escape on foot.

**Respect**
The amount of Respect you’ve earned is tracked here. One full bar allows you to play one mission or Stronghold.

**Notoriety**
Reflects your wanted level with the police. The higher your notoriety, the more vigilant the police may be of your actions.

**Weapon**
This shows your currently selected weapon and remaining ammo.

**Cash**
The amount of money you currently have.

**Homies**
Your followers will be represented here, along with their health meters.

**Reticule**
Target unsuspecting enemies. The reticule will change to a green X when targeting allies.

**Mini Map**
Enemies are represented by red dots, allies with purple ones. In missions, required kills are marked by a red square, locations to travel to are marked by a blue square, and critical items to pick up or defend are marked by a green square. Points of interest are marked with a unique icon.

**Mission and Activity Info**
This lists the name of the mission or Activity you are currently on, and also tracks progress.
Earning Respect

Respect

Respect is used to play through Missions and Strongholds. Respect is earned by completing Activities and Diversions, and by killing rival Gang Members.

Style

Buying new clothes and items for your crib gives you Style Points. The more Style Points you have the bigger your Respect multiplayer becomes.

NOTE: Wearing specific clothing is not required to get the Respect bonus. Simply owning the items is enough.

Diversions

Diversions are cash and Respect rewards that are given to you by playing the game creatively. Experiment with different modes of combat, driving, and interacting with your environment to find all the available diversions.

Activities

Crowd Control

Earn money as a bodyguard by keeping obnoxious fans away from celebrities -- by any means necessary.
Give new meaning to the term ‘burnout’ while wearing a flame suit as you drive around Stilwater on a four wheeler. The more damage you create, the more time you have to cause some heavy-duty trouble.

Insurance Fraud
Play in traffic for fun and profit! Fake an injury and try to score some free cash.

Mayhem
Take to the streets of Stilwater and go on a violent rampage. Just think of it as slash-and-burn agriculture with more explosions.

Septic Avenger
Devalue property value in Stilwater as you spray the contents of a septic truck all over town. Everyone loves a nice shade of brown...

Snatch
This is how life should be. Go around town and murder rival pimps, recruit their hos, and build up a stable of your own.

Taking Control
**Fists**

Sometimes you have to let your fists do the talking. **Primary Attack** (the Right Mouse button) and **Alternate Attack** (the Left Mouse button) allow you to throw punches. You can also hold either button to charge the attack, resulting in a more powerful strike. Pressing both the Left Mouse button and the Right Mouse button at the same time will block enemy attacks. Perform deadly combos by alternating your attacks rapidly.

**Weapons**

You’ll come across, or purchase, all kinds of guns and melee weapons in Stilwater. To pick up a weapon, simply walk over it. If you’re carrying a weapon of a different type, hold the E Key to swap them. Press the Q key to bring up the inventory and use the Mouse Wheel to select a weapon. Pressing the Right Mouse button fires the gun, and the Left Mouse button performs a melee attack.

**Vehicles**

Acquiring a new ride is as easy as stepping up to a car door and pressing the F key. Press the W key to accelerate, the S Key to move in reverse, and the Spacebar to use the handbrake. Any car can be stolen, though jacking some vehicles will cause the cops or a rival gang to become aggressive.

**Navigating Stilwater**

Press Tab to bring up a map of Stilwater. Areas the Saints control are highlighted purple. In these areas you can find gang members who you can recruit to aid you in combat. To set a GPS waypoint, move the cursor to where you want to travel and press the E key. A green trail will show you the route to get there.
